

## CONFERENCE COMMITTEE REPORT DIGEST FOR ESB 249

**Citations Affected:** IC 36-7.

**Synopsis:** Redevelopment commissions and military base reuse authorities. Adds expenditures that benefit local public improvements or structures as allowable expenditures by a redevelopment authority and for which a redevelopment authority may reimburse any other governmental body if the improvements or structures serve or benefit the authority's allocation area. Removes the restriction on using the redevelopment authority's allocation fund for operating expenses of the redevelopment authority. Provides that expenses may be incurred by a military base reuse authority, any other department of the unit, or a department of another governmental entity for local public improvements or structures that are in the allocation area or directly serving or benefiting the allocation area, including expenses for the operation and maintenance of these local public improvements or structures if the reuse authority determines those operation and maintenance expenses are necessary or desirable to carry out the purposes of the authority. Provides that the allocation fund may not otherwise be used for operating expenses of the reuse authority. Provides that a military reuse authority that owns or acquires a public utility to provide water service or sewage disposal service has certain powers and duties of a municipal board and municipal legislative body with respect to the operation of a municipal water utility or municipal sewage works. **(This conference committee report deletes SECTION 2, which was added in the House and provided that a petition to establish an economic improvement district must contain signatures from: (1) a majority of the owners of real property in the proposed district; and (2) the owners of real property constituting more than 50% (instead of 2/3) of the assessed valuation in the proposed district.)**
